

The Hill Newsletter.

Friday 5th May 2017

5th Edition.

Internet Safety Workshop

We would like to invite you to an Internet Safety Workshop on the 6th June 2-3pm. There will be Tea/Coffee and biscuits and a chance to discuss ways to keep your children safe online.

Congratulations

Congratulations to Millie Cain who has been selected to train at The Barnsley Schools Gymnastics Academy. We wish her every success and look forward to hearing all about her achievements.

Year 1 Olympics

Congratulations to all of those children from Year 1 that went to The Sheffield Institute of Sport on Wednesday to compete against other school children from Years 1 and 2.

Our children were able to compete in both the Year 1 and 2 races over the day and finished a fantastic 3rd place against older children.

You should be very proud of your children their attitude and behaviour was impeccable.

Year 3/4 Olympics

Well done to our Year 3s and 4s who competed at The Sheffield Institute of Sport on Thursday against other schools from the area. They finished 2nd overall, only 5 points behind 1st place.

This opportunity for Years 1,3 and 4 to compete where international Olympic athletes like Jessica Ennis-Hill train was an amazing opportunity.

You should be very proud of your children their attitude and behaviour was impeccable.

Year 3/4 Football

Last week Year 3 and 4 children went to Sheffield City Football Club to compete in a tournament. To get the opportunity to compete at a proper football ground was a fantastic opportunity for them. They played incredibly well, competing hard but fair with great sportsmanship. They finished the day in 3rd place overall. They were a pleasure to take out of school, you should be very proud of them.

Parent Nominations for Staff

For the first time this year we are holding an Awards Day for pupils and staff. Staff have been nominating students for a range of prizes, with more information coming out soon. However, I would like you as parents to nominate a member of staff that you feel goes over and above for an award.

Follow us on Twitter @thehillpa

Attendance

It was fantastic to award so many silver and bronze stars last Friday to children who had 100% attendance for either a term or two.

It has been amazing to see the re-engagement with attendance across the school. We have managed to raise whole school attendance rapidly. Year 2 are the first year group who have got back to being in line with the national expectation with both years 4 and 6 very close behind.

More and more of you are now on time and in class ready to work for 8:55, the playground is virtually empty by 9am. This is a massive achievement and takes everyone to engage in this.

Yellow Zig-Zags

We are still having people parking on the Zig-Zags outside of school. In doing this you are endangering our children. I have opened the side gates to help with this. The carpark, by the park is unlocked.

Please for the benefit of all our children don't park on the Zig-Zags

Extreme Reading

It has been great to see so many of you enjoying your reading over the past couple of weeks.

We have had people reading outside Shakespeare's house in Stratford, children on top of a barge, in a tree and many other places. Just remember the more that you read with your child the easier they will find it.

Up Coming Dates

Class Photos—18th May
Coffee Morning—19th May
Sports Day—28th June
The Hill Awards Day—6th July

Finally

We want to wish all of Year 6 good luck for next week. I set you a challenge when I started in January and you have all worked so hard to live up to it. Your determination over the past few months has been fantastic.

Remember Year 6 that you have breakfast provided for you each day at no cost to you.

Good luck all.
